 Beauty & the Beast  
 Because you loved me  
 Call the man

 The reason  
 Think twice

 Can't fight the moonlight  
 Commitment  
 Crazy  
 Feels like home  
 How do I live  
 Hurt me  
 I need you  
 I see you baby  
 Nothing better to do  
 One of these days  
 One way ticket  
 Probably wouldn't be this way  
 Some people  
 Something's gotta give  
 Soon  
 The right kind of wrong  
 These arms of mine  
 Written in the stars  
 You light up my life  
 Your cheatin' heart

 He oughta know that by now  
 He'll be back  
 I hope you dance  
 I know why the river runs  
 I'll think of a reason later  
 I may hate myself in the morning  
 Little past little rock  
 Lord I hope this day is good  
 Never again, again  
 Now you see me now you don't  
 Something worth leaving behind  
 Stronger than I am
